

United States.—After the Pasadena Tournament Dr. Alekhine, having paid his promised visit to Mexico, towards the end of September began an exhibition tour of the States, arranged for him by *The American Chess Bulletin*, which was to travel by leisurely stages as far as New York. Arriving there about October 10 or later, he was to leave again about November 1 for the return journey to the Pacific Coast. On November 17 he is due to leave America for the Far East.
