### ABOUT THE CLUB

The San Bruno Chess Club, which serves the entire north peninsula, was founded in 1953. Members come from as far away as San Francisco and San Mateo, as well as Millbrae, South S F, Daly City, Pacifica, and San Bruno. The club meets every Monday evening at Parkside school, 1801 Niles Ave, San Bruno; 7:30 thru 11:00 PM. Visitors and guests are always welcome.

Regardless of the calibre of your play, or if you wish to learn the "Royal Game," you are cordially invited to attend any meeting. Most of our members attend for a friendly evening of chess, although we do of course, also sponsor both team and individual competitive play.

We have a perpetual "ladder competition" always in action; "rapid transit" tournaments are held on the last Monday of the month; and for the "tigers" among you, competition is always keen for positions on the club teams.

Each year we hold club championships; additionally, we hold (entries permitting) a "newcomers' tournament" each year to encourage inexperienced and/or young players in the pleasures of competitive chess. Trophies and prizes are awarded in both.

May we again cordially invite you to attend a meeting.

BAY AREA TEAM CHAMPIONSHIPS

Winners of the three leagues, Concord (east bay), Lockheed "B" (peninsula), and San Bruno (el camino), are now engaged in a fierce battle for the title. So far nothing has been decided, since Concord has drawn with both of the other teams.

Lockheed "B" will play San Bruno next week, with the winner taking home the championship. In the event of a draw in this contest, all three teams will have to play again.
