Dear Richard: 6-2-60

Concerning your plan to "publish" all the games of the 1960 Expert Tournament at the Y.M.C.A. (Feb., 1960):

I would like to suggest that you select only the ^{very} best games for publication. Would you also consider using the best games from all 4 experts' tournaments (if we can find them all)?

I will gladly help you edit such a publication. I would like to gain more annotating experience too.

I would suggest that the publication I have proposed be a special issue of "Chess in Action" or the "Y.M.C.A. Bulletin".

Sincerely, Erik Oelun
