Dear Richard: This morning I received your letter and the Oakland YMCA Invitational tournament book... congratulations! An excellent piece of work... we wish you every success. George is in St. Louis directing the U.S. Open Championship and then goes on to Texas and New Mexico... a very busy schedule. However, I'll write him about the book. We had a very busy and successful Sonoma. See Sat Even Post July 30th... FACE of America photo... seen by 25 million people! Suggest that you advise John Almond about the book so he can publicize it in CHESS IN ACTION. Am sure if you give him all the details, he will be glad to help. (14 Bates Blvd. Orinda.) George will be back early part of September... you can get in touch with him then. With every good wish, Sincerely,

Mrs. G.K.
